### **FASHION ACCESSORIES, JEWELLERY AND BIJOUX: CHRISTMAS PROPOSALS FROM THE HOMI FASHION&JEWELS EXHIBITION COMMUNITY**

*Plenty of gift ideas to put under the tree, choosing from sustainable creations, handicraft proposals and precious jewellery*

Milan, 24 November 2022. **HOMI Fashion&Jewels Exhibition** is the event dedicated to fashion accessories, clothing, and jewellery and it is getting ready for Christmas with an exclusive selection of products to put under the tree. Product proposals that offer uniqueness, experimentation and research that have always accompanied the companies participating at fieramilano (Rho) from 17 to 20 February 2023.

Jewellery and bijoux, true holders of emotions in a *sparkling* format, charm in the name of that lively and refined creativity that sets them apart. The same does the artistic one offered by **Lebole's** designer earrings as well as in the precious material creations of **Palladino Jewels**, alongside the more sustainable ones, born from the conscious production of **Moyo's** bracelets and necklaces. The perfect 24/7 jewellery by **Medusa Gioielli** and the wearable avant-garde by **Quinto Ego Jewels** embody the metropolitan future.

Opting for the artisan spirit even at Christmas is a must that ranges from the skilful art of Venetian filigree that makes **Yvone Christa's** creations sparkle to the meticulous *handmade* and rhinestone-rich workmanship of **La Griffe** all the way to the small masterpieces by **Romeo Delauris** and the sophisticated and inimitable creations of **Ayala Bar by AIBIJOUX** that offer sparkling jewellery in limited editions for the end-of-year festivities.

The Christmas story, resplendent with light and craftsmanship, is also encapsulated in the fashion accessories designed to celebrate an unforgettable moment of full Italian creativity, full of ancient wisdom, workmanship handed down over time, and sustainability. Unashamedly Mediterranean are the creations by **Ammia** that offer bags able to aesthetically translate the essence of Sicily, **Rita Cordini's** one-piece bags, created from exclusive fabrics of the local tradition and **Mandulis'** bags where leather combines with textures for a strongly evocative result.

Upcycling is the keyword for a Christmas where ethics and aesthetics represent the most beautiful decoration, amplified in **Tilde&Flor's** accessories made from discarded wallpaper. Once again, a personalised approach to fashion could not be missing, as shown in the jewelled scarves by **Ellebj**, sartorial details by **Martina Bavaro's** 'flowery' collections and the warm Made in Italy that
