# HOMI Fashion & Jewels Exhibition returns in September with focus on international market, trends

July 11, 2022

 1  0

HOMI Fashion & Jewels, a showcase for the latest cutting-edge [fashion jewellery](#) designs, returns to [fieramilano](#) (Rho) from September 16-19, 2022, with a focus on the international market and [trends](#).

Imperial Gioielli

A central point of the upcoming Fall Winter 2022.2023 collections to be presented at the show will be "Made in Italy" creations, as well as a high-profile presence of French brands and Greek designers.

The event is a "must-attend" event for the trade in the fashion and fashion jewellery segments who, in a single event, will find the [latest collections](#) for the coming Winter season, in a dynamic setting, where they can find new business opportunities.

This is thanks in part to the coincidence with **Micam**, International Footwear Show, **Mipel**, International Show dedicated to leather goods and fashion accessories, and **The One Milano**, Salone dell'Haute à-Porter, to be held from 18-20 September, also at [fieramilano](#).
